

mprace::Driver

```
graph BT; A[mprace::PCIDriver] --> B[mprace::Driver];
```

A diagram illustrating inheritance. At the bottom is a solid black rectangle containing the text 'mprace::PCIDriver' in white. A blue arrow points vertically upwards from the center of this rectangle to the center of a white rectangle with a black border at the top. The white rectangle contains the text 'mprace::Driver' in black.

mprace::PCIDriver
