

mprace::Board

```
graph BT; A[mprace::MPRACE1] --> B[mprace::Board];
```

A diagram showing a vertical relationship between two classes. At the bottom is a solid black rectangle containing the text 'mprace::MPRACE1' in white. A blue arrow points upwards from the center of this rectangle to the bottom center of a white rectangle with a black border at the top. The white rectangle contains the text 'mprace::Board' in black.

mprace::MPRACE1
